

Prayer for the first days in prison

Dear God, they brought me here, in prison,
for the first time I enter a place like this.

God, it frightens me too much:

how can I live here?

I am locked, behind doors,
no place to go.

Dear God, I remember Josef, Paul and Peter,
they were in prison too,
and I remember how You were there to strengthen them,
because You are a God who never leaves us alone.

Dear God, I ask you,
be with me, don't leave me alone,
You are the only one who can help me,
strengthen me during the time I have to be here,
and guide me, out of this place to freedom.
Amen.
